ADDENDUM NO. 1
RFQ Environmental Engineering On-Call Services

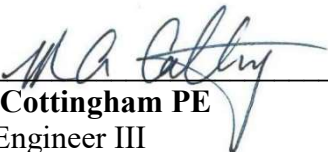

The Request for Qualifications (RFQ) is modified as set forth in this Addendum. The original RFQ Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFQ. Respondent shall take this Addendum into consideration when preparing and submitting its Statement of Qualifications.

I. Due Date

The due date will remain as **5:00 PM, Thursday, March 7, 2024.**

II. Questions and Answers

- Q:** Has this on-call been previously awarded? If so, who are the incumbent firm(s)?
A: Yes. The incumbent firms are Mid-Atlantic Associates, Inc., S&ME Inc., and HDR Engineering, Inc.
- Q:** How many firms will be selected?
A: The number of firms will be determined by the Selection Committee based on anticipated projects and will also be based on, but not limited to the Evaluation Criteria provided in the RFQ.
- Q:** Are respondent teams required to provide all services listed in the scope?
A: No. Provide your firm's list of relevant Environmental Engineering services. Your firm's list may include more or less items than the potential services listed in the RFQ.
- Q:** Does every firm responding need to detail their services for all of the anticipated applications/developments or can they just detail the qualifications they have for some of the anticipated services?
A: Either option is acceptable.
