CLEANUP SAFETY INFORMATION

1. Wear appropriate clothing, that you don't mind getting dirty, and safety gear. This includes, but is not limited to: gloves, closed-toe shoes, and safety vests.
2. Do not pick up materials that could be potentially hazardous such as guns, needles, or knives. Call the non-emergency Gastonia Police Department number if you are concerned about an item at 704-866-3300.
4. Do not go on to private property without the permission of the property owner.
5. Avoid overexertion; take rest breaks and drink plenty of water.
6. Be aware of your worksite. Be alert for possible wildlife, cars, or pedestrians.
7. Know your allergies and keep needed medications on hand for situations like bee stings or ant bites. When working in natural areas, avoid contact with poisonous plants, such as poison ivy.
8. **Use common sense.** We want to get Gastonia as clean and beautiful as possible, but we also want to make sure that everyone stays safe and healthy!
